2 Place label color correlates to the place fill color.

3 A "*" following a block number indicates that the block number is repeated elsewhere in the block.

Figure 1 consists of two maps. The left map, titled "Location of County within State", shows the outline of California with its counties. Santa Clara County is highlighted in orange. The right map, titled "Sheet Location within Entity", shows the state of California with a yellow rectangle indicating the location of the Santa Clara County sheet.
